Head Teacher Ms. M. Mallon

14th September 2018

Where has the week gone? The children have had a great full week in school this week, they are still looking very smart in their school uniforms and are making us feel very proud of their excellent behaviour.

This week both our Y6 classes have been on a map reading skills trip with Mr Helme and their class teachers, I have been informed that their behaviour was impeccable and they were great at navigating their way around the area.

The EYFS team are really impressed with how the children in nursery and reception have settled this week, they are getting into their routines and making friends very quickly, well done.

Can I remind parents who have not yet downloaded our free school app to do so. It is a great way of communicating and keeps you up to date with what's going on in school.

### ATTENDANCE & PUNCTUALITY

Our class with the best attendance this week is **3CH** with **100%** - we need to see a lot more classes with 100% attendance next week.

Year 4EB and RCW had no lates well done

### Picking up Children

For your child's safety it is important that you inform us of any changes to your child being picked up. If you wish for somebody else to pick them up from school please inform either the teacher in the morning on the yard or ring the school office.

### Healthy School

#### Packed Lunch Boxes

We are a healthy school, where ever possible we encourage children to eat healthily and enjoy a healthy life style. Please do NOT give your child chocolate bars or fizzy drinks for school as part of their packed lunch or for break time.

There are many alternatives that you can choose for your child.

There have been a few dogs brought onto the playground, we ask you keep them outside the school gates, we do not allow dogs on the playground. This applies also to dogs being carried.
