## School Newsletter

Head Teacher Ms. M. Mallon

2nd November 2018

### ATTENDANCE & PUNCTUALITY

Our class with the best attendance this week is **3CY with 98%** - It is a shame that no classes got 100% this week, we can do much better than this  
Year 6KJ, 5JPB, 2CS and 1GA had no lates this week well done.

The children have had a great start to the new half term the weather is a little bit cooler now so you please ensure that your children have a warm coat and are well prepared to play outside.

Just a little reminder about coats, hats and scarfs etc. can you please make sure that you put your child's name in them, as many children tend to leave them on the playground or in the hall, adding to our ever expanding lost property box.

### Dates for your diary

**14th November**—Year 4 Family Assembly

**16th November**—Children in Need

**5th December**—EYFS Christmas Performance

**7th December**—Christmas Fair

# Yard Afterschool

There have been a few children coming into the yard after school has closed. School is not open to the public after 3.30 any incidents that take place after this time the school will not be responsible for. Please remind your children not to play on school premises after his time. Thank you for your support.

### Missing Scooter

Can you please check your child has not taken a boys scooter home accidentally. One of our younger boys scooters has gone missing from outside in the bike area. We love the fact that children can ride to school on their bikes and scooters and that we trust our families to treat them with respect. It would be a huge shame if people felt they can not trust leaving their bikes etc. outside the school. Remember all equipment is left at your own risk.

## School App

Remember the school has an app, the app can be found on the App Store or Play Store and is free to download. It is very informative, giving term dates, information regarding school and Can also be used to inform us of any absences.

### Fire works and Fire Safety

There is increasing popularity with the sale of home use fireworks and publically built local fires recently. Please be extra vigilant over the weekend and on Monday night as Bonfire Night approaches, advice from Merseyside Fire Brigade suggests that you make sure you know where your children are at all times and who they are with. Official firework shows are being put on around the city and are the safest option when it comes to celebrating.
