Head Teacher Ms. M. Mallon

10th May 2019

I would like to take the opportunity to wish our Y2 pupils and Y6 pupils the best of luck for their SATs over the coming weeks. They, along with the staff, have been working so hard to achieve their best. Remember SATs are only part of what we do here at Wellesbourne and we are immensely proud of ALL of the things that our children achieve over the years that they are here, the well known poem about SATs says it all really.

*SATs don't measure sports, SATs don't measure art,
SATs don't measure music, or the kindness in your heart.
SATs don't see your beauty, SATs don't know your worth,
SATs don't see the reasons you were put upon this earth.
SATs don't see your magic, how you make others smile,
SATs don't time how quickly you can run a mile.
SATs don't hear your laughter, or see you've come this far,
SATs are just a tiny glimpse of who you really are.
So sitting at your table, with a pencil and your test,
Remember SATs aren't who you are, remember you're the best.*

In an effort to help the environment and to save the school some money we are now going to be publishing our newsletter online only. Please, if you have not already done so, download our new Parent App. The newsletter will be available on the App and also on the school website.
