20th September 2019

We have had a very busy week this week with our Reception children staying for full days and having their dinner in the school hall.

Thank you for all of your kind donations to 'Jeans for Genes' today, the children looked great.

We have a very exciting day planned for 10th October. We are celebrating **World Health Day** for this day we are collapsing our usual timetable and instead having a range of workshops from outside agencies coming in to teach the children, staff and families about issues relating to mental health, physical health and general health and well being. We are planning to have a family event also on this day from 3.15 onwards in the hall. We will be focusing on singing and how singing can be used as a tool to make you feel good. Miss Parr will be running a short workshop after school. Look out for tickets in the next few weeks.

Just a reminder, I know some of you have been missing our healthy tuck shop. Our Y5 children will start up tuck shop will start again week beginning 30th September.

We are teaching them about tooth decay, type 2 diabetes and other forms of eating related health concerns. We need your support in this matter please **DO NOT** send these items into school in lunch boxes.
