

**FLU CAN SPREAD VERY EASILY, WHICH IS WHY
CHILDREN ARE GIVEN A VACCINE AS
PROTECTION.**

There is a special flu vaccine which works really well in children

It is given by a painless nasal spray and offered to all primary and year 7 school children

We have sent an information leaflet and consent form out. This is for you to complete and return to school by the:

Wednesday 18th November whether you want or don't want your child to receive it.

**AS WELL AS PROTECTING YOUR CHILD AGAINST FLU,
HAVING THE VACCINE HELPS STOP FLU SPREADING TO
YOUR FAMILY AND FRIENDS.**
