

Welcome to  
**Wellesbourne**  
**Reception**

### Welcome to Wellesbourne

Here you can see our main entrance next to the yellow duck, and the green door with 4 windows is our Reception door. This is where you will come into school each morning.

# Meet your new teachers!

(Monday-Thursday)

Mrs Mannion  
Higher Level Teaching  
Assistant RSR

Miss Wise  
EY Teaching Assistant  
RGG– Friday

RGG

RSR

Here are your new classrooms! We will show you all of the lovely different areas where you can play and have lots of fun in.

We have a cosy reading area with lots of books, teddies and blankets.

These are our Story Bears, you will find them in the Book Area.

We have two wonderful Writing areas, one in each class.

We have a lovely changeable role play area. We could be astronauts, or visit a fruit and vegetable shop.

We have an interest table where you can always explore something new.

In each Classroom we have a teaching step and carpet gathering area to do lots of lovely learning.

We have an Investigation Station where we can explore our interests further.

We have lots of things to build with, like wooden blocks and Lego. We have lots of animals and dolls house figures.

We have a comfy home corner where you can make a cup of tea with your friends, and a cosy corner with cushions, fairy lights and story books.

We have a funky fingers area, and a lovely play dough area so you can make cakes, monsters, or any creation you like.

We have a maths area, where you can explore numbers, shape, space and measure.

We have a lovely art and crafts area where you can paint at the easel or create a model using different materials.

We have a snack table in each classroom, you can help yourself to snack and water. We have the snack areas open twice a day, morning and afternoon.

We have a big outdoor space with lots to do. Here is our new balancing and obstacle area.

We have a large garden and a mud kitchen where you can make recipes and potions.

We have a new water exploration area, pulleys with buckets, and a new sand pit. There is so much more to come too. We are waiting on the arrival of our new climbing frame and climbing wall.

We hope you enjoyed  
looking at your new  
classroom! We all look  
forward to seeing you  
soon!
