REACH FOR THE STARS

26.05.2022

Key Dates

Playful Parenting Workshops -
21.06.22 and
28.06.22 9-11am
(contact Miss Moore for details)

Wow - I can't believe it's the end of Summer 1 already! This half term has gone so fast! This week we have had a fantastic ending to a very busy and fun-filled half term by celebrating the Queen's Platinum Jubilee. Have a look at the last page of the newsletter to see how we celebrated in style!

We return to school on **Monday 13th June** for our final half term of the year - always an exciting one in which the children get to meet their new teacher and we celebrate our children's achievements in our end-of-year Presentation Assemblies.

Wishing our families a wonderful half-term holiday - fingers crossed for an improvement in the weather!

THIS TERM IN PSHE

This term in PSHE we are looking at Health and Wellbeing. This week, we have been looking at how we can express our feelings, things that affect our mental health and how we can take care of ourselves effectively. Year 5 have also had a visit from Bully Busters this week, who spoke to the children about the importance of speaking out

of kind car-tooth-

and being and ing wards ers.

SPOT-LIGHT ON LEARNING

Holiday Dates

Summer Term 2022
25th April - 20th July

27th May Jubilee Day

Whit Break: Monday
30th May - Friday
10th June

Children return to school on Monday 13th June

ATTENDANCE is one of our school values

As a school we are striving to achieve at least 97% attendance each week. Our attendance this week has been higher than last week, but we have still failed to meet the target on any day.

OVERALL - 92.0%
Monday - 90.2%
Tuesday - 91.5%
Wednesday - 93.6%
Thursday - 93.4%

School re-opens on Monday 13th June - let's have EVERYONE in school that day ready for Summer 2!

PLEASE try to make sure your child is in school, on time, every day.

Year One Phonics

This week in Phonics

This week, Year 1 have been practising all of their sounds to get ready for the Phonics Screening Check after half term.

The children have also been practising reading alien words. These are made-up words composed of different phonemes which children can use their phonics knowledge to sound out.

Have a go at reading these alien words: glieb, frane, fleab, snoak, pode, bligh.

Keep working hard with your phonics over the half term break!

CURRICULUM CORNER

This Week's Subject: PE

This half term, children from Y1-6 have been developing their cricket skills. This has involved building on the early skills of throwing and catching over short distances to using a range of techniques to choose the appropriate action to play a game.

Children have been learning how to bowl and strike the ball effectively as well as developing their knowledge of the rules of the game.

Throughout the year, children experience a range of activities in PE, including athletics, gymnastics and dance. As well as developing techniques taught, our children learn how to develop the skills of teamwork and co-operation. We have some incredible athletes in school who are wonderful ambassadors for Wellesbourne when they represent us in competitions. PE is a superb way to exercise, learn new skills and - most importantly - have fun!

CRICKET COMPETITION

This week, some of our Year 5 and 6 girls represented our school at a Cricket event. They displayed impeccable behaviour throughout and were fantastic representatives for our school, even winning both games that they played! Well done girls, we are so proud of you!

Our coaches all hold professional qualifications and enhanced CRBs. Expert and qualified instruction in a safe non-competitive environment. We go out of our way to ensure a personal and special day.

Chester Zoo Trip

This week, our Year 1 children had a very exciting day out to Chester Zoo! The children got to travel to the zoo by coach, something they were very excited about! They saw lots of interesting animals and lots of fun was had by all. They even had time to sit in the sun and enjoy an ice cream!

PLATINUM JUBILEE CELEBRATION

Today in school, we celebrated the Queen's Platinum Jubilee. Children were invited to come to school in red, white and blue or party clothes - we had some wonderful outfits! Unfortunately, bad weather affected our plan to have the whole school outside eating together - but it didn't stop us celebrating in style! Instead, we had an indoor party with lots of food, music and even the Queen's coronation playing on the big screen. It was a lovely atmosphere and a fantastic way to finish the half term!
