Dear Parents and Carers,

Your child has been invited to a very special tea party at Wellesbourne Primary and Nursery School. The tea party will be held in the school grounds during lunch time and the afternoon of Thursday 26<sup>th</sup> May 2022. The tea party is being held to celebrate Queen Elizabeth II's Platinum Jubilee.

Children will be provided with a special picnic lunch prepared by our chefs! They will choose from a selection of sandwiches, pizza, crisps, cakes and biscuits! If your child usually has a packed lunch they will not need to bring one.

We aim to eat outside on this day providing that the great British weather holds out ..... if not we won't let that stop us, we will have a party indoors!

We ask that children wear their own smart clothes for the day, be as creative as you want to, tea party style, red, white and blue, fancy dress or just your own clothes. We are aiming for 100% attendance at our tea party, we have some lovely surprises for the children and are very much looking forward to the celebration.

School closes on this day for Whit Break, we return to school on Monday June 13<sup>th</sup> for our final half term of the year .

We very much look forward to your attendance at our tea party!

Mrs Ryan  
Head Teacher
