What a great week we've had in school!

On Wednesday, we were extremely lucky to have M&M Theatrical Productions in school performing Sleeping Beauty for our children. The production was fantastic and the children thoroughly enjoyed it!

We will be holding an Open Day for parents of prospective Nursery and Reception children on Wednesday 7th December. If you would be interested in your child joining our Nursery this year or next, or if your child is due to start Reception next September, please contact the school office on 0151 226 9745 to book on. We would also love current parents to spread the word and let friends, family and anybody in the local community know!

Next week is Parents' Evening - we look forward to seeing you in school! Please speak to your child's class teacher if you have not been allocated an appointment.

Cooperate

THIS WEEK IN PSHE

In PSHE this week, our children have been looking at the importance of self-respect, courtesy and being polite. These are values we are always promoting in school, and our children never let us down in these areas!

In assembly, we have been discussed the upcoming World Cup and looking at some of the views and rules in Qatar which are very different to our own.

Year One Phonics

This week in Phonics, Year One have been revisiting phase three and four words.

We have also been concentrating on tricky words. These are words which you can't read or spell by sounding them out.

Can you read the following tricky words?
said when what there little one so do

Can you find any sentences in your reading book containing these words?

Keep working hard practising all of the sounds and words we have been learning!

ATTENDANCE is one of our school values

As a school we are striving to achieve at least **97% attendance** each week. Attendance this week has not hit this target - please ensure your child is in school, every day, next week.

YEAR TO DATE - 88.4%

Monday - 89.2%

Tuesday - 93.5%

Wednesday - 90.9%

Thursday - 89.6%

Friday - 87.6%

Due to such low attendance this week, none of our classes have achieved Champions Breakfast.

CURRICULUM CORNER

This Week's Subject: Reading

As part of our Reading Curriculum, pupils from Reception to Year 6 participate in guided reading sessions each week. This allows them to read in a small group with an adult and talk about the text.

After these sessions, children will have a chance to show their understanding by completing an independent task putting their skills into action. In doing so, pupils are developing a wide range of skills which support them in the understanding and appreciation of reading. Children learn the acronym 'VIPERS' Vocabulary, Inference, Predication, Explanation, Retrieval and Summary (Sequencing in KS1) and consider their responses to questions using these as a support. To support your children at home with this, have a look at our website for examples of questions you can use.

Athletics Competition

Last week, some of our Y5 and Y6 children took part in an Athletics Competition. Our team ended up finishing third, just missing out on the opportunity to compete in the City Championship. Throughout the competition, the children's behaviour was immaculate and the effort they put in was fantastic!

Well done children - we are really proud of you!

Respect

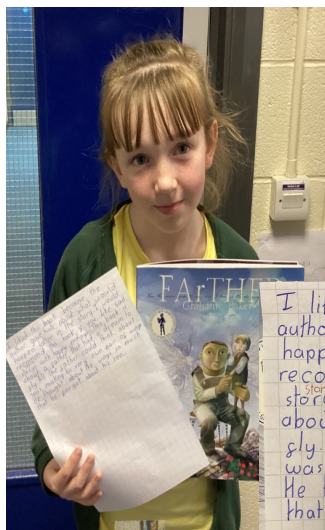

Coffee Morning

On Thursday 24th November, Mrs Willshire and Miss Moore are hosting a Coffee Morning with Liverpool ASD Training Team. This will be an advisory Coffee Morning for parents/carers who have any questions or concerns about their child in regard to pre- and post-Autism diagnosis. It is also an opportunity to speak with an ASD trainer and other parents.

Reading Recommendation

Our Reading Recommendation this week comes from 5LG.

Tia recommends 'Farther' by Grahame Baker-Smith. She loved it so much, she even wrote her own book review!

I liked this book because the author gave hints about what would happen later in the story. I would recommend this book to you like sad stories with happy endings. This book is about a gather that had a dream to fly. All the gather could think about was making his very own pair of wings. He thought about the wings so much that he forgot about his son...
