**Extending Nursery Hours 30 hours provision**

Friday 16th December 2022

Dear Parents/Carers,

We are reviewing our nursery hours provision offer. We are aware that some parents are entitled to 30 hours provision and may be using other providers alongside our school nursery. We think it would be easier for our families to only have to use one nursery provider so we are aiming to offer 30 hours in 2023.

You are eligible for 30 hours;

- if you are working
- your income (and your partner's income, if you have one)
- your child's age and circumstances
- your immigration status

You can get 30 hours free childcare at the same time as claiming Universal Credit, tax credits, childcare vouchers or Tax-Free Childcare.

**If you are working** you can usually get 30 hours free childcare if you (and your partner, if you have one) are:

- in work
- on sick leave or annual leave
- on shared parental, maternity, paternity or adoption leave

If you're on adoption leave for a child aged 3 to 4 years old, you must return to work within 31 days of the date you first apply for 30 hours free childcare for that child.

**If you are not currently working** you may still be eligible if your partner is working, and you get Incapacity Benefit, Severe Disablement Allowance, Carer's Allowance or contribution-based Employment and Support Allowance. You can apply if you're starting or re-starting work within the next 31 days.

If you would be interested in using our 30 hour offer in 2023, then please let us know by completing the slip below or telephoning the school office. We will only be able to offer the provision if there is enough uptake to support adult to child ratios within the nursery.

I have a child aged \_\_\_\_\_ their date of birth is \_\_\_\_\_ I would be interested in 30 hours provision in the year 2023 or 2024 circle as appropriate.

Printed Name \_\_\_\_\_ Parent/ Carer

We will get back to any parents interested in the new year 2023. Thank you for your cooperation.

Kind regards

Mrs. Ryan
