Cooperate

#### Dear Parents and Carers

This week in school has been very busy, with our Year 6 children taking their end of KS2 SAT assessments. They have been fantastic this week and showed real maturity! We are extremely proud of them as we know every single child tried their absolute best, and that's all we could wish for!

We have had some lovely news this week - Miss Abe has had her baby girl! Blossom Mayumi was born on Friday 5th May weighing 7lb 2oz. We can't wait to meet her! Congratulations Miss Abe!

#### YEAR 5 PGL

Last week, some of our Year 5 children went to PGL. They had a fantastic time and were extremely well-behaved - well done Year 5! A big thank you to the staff who attended and made the trip possible!

#### Year 1 Phonics

This week, Year 1 have been revising the sounds 'ew', 'ue' and 'u\_e'.

'ew' - crew, flew, new, grew  
'ue' - true, blue, glue, clue  
'u\_e' - tune, flute, June, flume

Can you spot these sounds in the following sentence?

The crew flew in June on a blue jet.

Keep working hard to practise your sounds and reading your books!

#### ATTENDANCE is one of our school values

As a school we are striving to achieve at least **97% attendance** each week. Attendance this week has improved Tuesday-Friday, but was very low on Monday. Please ensure your child is in school, on time, every day. We cannot teach them if they are not here!

#### YEAR TO DATE - 92.2%

Tuesday - 93.5%

Wednesday - 94.4%

Thursday - 94.1%

Friday - 92.5%

Unfortunately, none of our classes have won Champions' Breakfast this week as no class achieved over 97% attendance. We need a huge effort next week before our long half term for all children to be in school!

## This Week's Subject: Physical Education (PE)

Our PE curriculum encourages our children to develop a range of skills as well as the knowledge and understanding of how they can use physical activities to support their mental wellbeing. Pupils develop fundamental skills in the EYFS and into Key Stage 1 which later develop into a range of sports and physical activities. A huge focus in our curriculum is developing pupils' confidence and enthusiasm.

This week, Year 2 developed their listening and attention skills, worked as part of a team and most importantly had fun in their PE lessons. Keep an eye on Twitter to see more of our learning.

## CURRICULUM CORNER

### Helping Your Child With Maths

Adult Education are running a **FREE** course at Wellesbourne school to help parents/carers understand how Maths is taught to their child in school so that they can offer support at home. The course will start on Friday 9th June and run every Friday 9am-11am for six weeks. If you would like to sign up for this course, please contact the school office.

### Reading Recommendation

This week our reading recommendation comes from 4CL!

Alfie recommends 'Bee Boy - Clash of the Killer Queens' by Tony De Soules.

He said, "In this book that I am currently reading, people go on an exciting adventure to protect the bees. It has been very entertaining and I am looking forward to seeing how it ends!"
