Hello Parents and Carers!

We have had another busy week in school, with the highlight definitely being our School Discos yesterday! The children had a great time - as did the staff! On Wednesday this week, we also held our Year 6 Showcase (a mini Family Assembly) for parents to find out about what the children have done so far and what is coming up for Year 6 - namely their SAT assessments in May. If you were unable to attend and would like a copy of the SATs information booklet given out, please ask the school office.

Today we have had an own clothes day in school for Children in Need. A huge thank you to parents and carers; we have raised £373.79 due to this! If you are not already signed up to receive emails/app messages from Arbor, our school communication system, please speak to the school office. We are gradually moving away from paper copies of letters and Arbor is instead where you will receive information from us. We will also not be using ParentApp at all after Christmas, so it is really important parents are signed up to receive Arbor messages.

Enjoy the weekend!
Miss Howard

Effort

Cooperate

THIS WEEK IN PSHE

This week in assembly, we have focused on growth mindset and how we can adopt a resilient attitude towards challenges. We talked about times where we may have needed a growth mindset and which lessons we find most difficult. The children were really good at identifying the difference between a fixed and a growth mindset!

In PSHE lessons, we have focused on remembrance this week. The children have been very thoughtful in their responses and asked really poignant questions.

The Power of YET

- I don't know ...YET
- This doesn't work ...YET
- I don't understand this ...YET
- This doesn't make sense ...YET
- I'm not good at this ...YET
- I can't do this ...YET
- I don't get it ...YET

Year One Phonics

This week in Phonics

This week Year 1 have been looking at CCCVC and CCCVCC words.

These are words with three adjacent consonants at the beginning of the word, e.g: strong, splash, split, scrap, shrink, spring, scrub

Can you read the following sentence?

They had to scrub the screen on the street.

Can you also read the following tricky words?

some, come, have, when, like

Have a look for these words in your reading book!

ATTENDANCE is one of our school values

As a school we are striving to achieve at least 97% attendance. We were close to this on Tuesday, but not quite there. Please ensure your child is in school, on time, every day.

OVERALL - 94.6%
 Monday - 93.6%
 Tuesday - 96.7%
 Wednesday - 95.4%
 Thursday - 96.5%
 Friday - 92.5%

Attend

We had five classes over 97% attendance this week - 2EB, 3OK, 4CM, 6KJ and 6MC! Well done! 2EB and 3OK had the highest, so will receive Champions Breakfast next week!

PSHE

At Wellesbourne, PSHE is embedded in all that we do to enable our children to become independent, responsible, healthy and confident members of society. Our PSHE curriculum has been built with the aim to support the development of the 'whole child', by helping them to understand how they are developing personally and socially as well as promoting their social, mental and physical development. Children will be able to develop the ability to tackle the moral, social and cultural issues that are part of growing up.

This week in lessons we have focused on the important subject of remembrance. We have talked about Remembrance Day and how this came about, as well as observing a period of silence on Monday at 11am. In classes, children have taken part in various activities to illustrate remembrance.

Year 3 created their own paper wreaths.

Reception have made some beautiful artwork!

CURRENTLY READING...

In school, every class dedicates 15 minutes a day to reading for pleasure from a carefully-crafted reading spine. This allows children to explore new worlds, builds imagination and develop a lifelong love for books!

4HG recommend "The Saga of Erik the Viking" by Terry Jones.

Oscar really enjoyed that the book was filled with action. Erik the Viking and his men set sail on their boat, The Golden Dragon, and face all sorts of challenges. Nancie and Lily liked that every chapter was a new adventure, so it was like reading

a new story every time. Mae said that the characters always faced something tricky, but they survived in the end. Liam added that the characters cared for each other and saved each other.
