12.12.25 - Y6 Trip to Martin Mere

17.12.25 - Christmas Fair

18.12.25 - Christmas Parties

19.12.25 2pm - Finish for Christmas Holidays

Hello Parents and Carers!

This week, 45 of our Year 6 children went on their first school residential to PGL Boreatton Park. They were absolutely fantastic and we cannot sing their praises enough! Their behaviour was brilliant from start to finish, they were so kind to each other, followed every instruction and threw themselves into the activities on offer. They had the opportunity to take part in canoeing, zip wire, rifle shooting, problem-solving, abseiling, aeroball and the giant swing during the day time, and at night took part in a campfire (including roasting marshmallows and singing songs!) and a quiz. The staff who attended were so proud of their attitudes, resilience and how much they looked after each other. They were wonderful role models for our school, and parents should be so proud of them! Well done Year 6!

Next week, we will be holding Parents' Evening appointments in school. Letters have been sent out for parents to sign up for times, however if your child has mislaid their letter, please speak to the school office for a new copy. We look forward to seeing lots of parents in school next week to celebrate our children's successes so far this year! We will also be holding our Year 5 Family Assembly on Wednesday next week. Parents should wait at the school office once they have dropped their child off.

Have a lovely weekend!

Miss Howard

Cooperate

THIS WEEK IN PSHE

This week in PSHE Assembly, we talked about the United Nations National Climate Change Conference, which is being held this week in Brazil. The conference is being held to discuss how to limit the global temperature increase to 1.5 degrees - the children had lots of good ideas about ways in which we can ensure global warming is kept to a minimum, and how we can help our planet. In PSHE lessons this week, we have had a focus on Remembrance Day, and what it means to remember those who have fought in wars.

Year One Phonics

This week, Year 1 have been continuing Phase Four and looking at CCVCC (consonant, consonant, vowel, consonant, consonant) words.

These are words with consonant blends at both the beginning and end of a word, e.g. twist, blend, stamp, plant.

Can you read the following sentence?

The frost was **crisp** on the **plant** by the bricks.

Have a look for examples of CCVCC words in your reading books!

ATTENDANCE is one of our school values

As a school we strive to achieve at least 97% attendance each week. This week, attendance has not met our school target on any day. It is vital children are in school every day and that holidays are not taken in term time.

OVERALL - 93.3%

Monday - **94.3%**

Tuesday - **96.6%**

Wednesday - **95.2%**

Thursday - **91.4%**

Friday - **89.1%**

Attend

Well done to RGG, 1PP and 6MC who had over 97% attendance this week! 1PP and 6MC were the highest, so will receive Champions' Breakfast on Monday.

Anti-Bullying Schools Project

Last week, some of our children took part in the Anti-Bullying Schools Project run by Knotty Ash Primary School & Deaf Resource Base, which started back in June and was showcased at a wonderful event at St George's Hall.

The children have been learning motivational songs to sign along with other schools, not just from Liverpool but as far as Ireland. They have been fully committed to this project and have even learnt the songs with their families at home. At the event, they listened to guest speakers read out poems and children's own stories of how they have been bullied and dealt with bullies. The Lord Mayor was at the event along with Rodger Philips from Radio Merseyside. A big well done to Maddison, Kayley, Kaleb, Callie, Scarlett, Annabelle, Ivy, Remileigh and Mollie from Y4 and Y5 for representing our school so well!

Uniform Reminders

A reminder to parents that, unless it is your child's PE day, they should be in their full uniform for school, with their hair tied back. Children should not be wearing nail varnish, jewellery or make up for school. On PE days, children can wear their PE kit - this should not be their own clothes/ a football kit etc. A full copy of our Uniform Policy is available on the school website; please refer to this for further details. Many thanks.

TTRS AND NUMBOTS WINNERS THIS WEEK

TTRS

Most correct answers: Ilyas MB Y4 - 10,631

Most coins: Ilyas MB Y4 - 88,665

Improved speed: Richie W Y4 - Improved by 0.57 seconds

Fastest current studio speed: Luke S Y4 - 0.5 seconds

Numbots

Most minutes played: Ilinca R - 70 minutes

Correct answers: Ilinca R Y2 - 981

Most coins: Ilinca R Y2 - 5,842

NUMBOTS

CURRENTLY READING...

In school, every class dedicates 15 minutes a day to reading for pleasure from a carefully-crafted reading spine. This allows children to explore new worlds, builds imagination and develop a lifelong love for books!

This week's recommendation comes from 3CY!

3CY recommend 'Harry the Poisonous Centipede' by Lynne Reid Banks.

3CY say, "We really enjoyed this book which we read in our 'Ready, Steady, Read Together' Reading lessons! It is hilarious - watch out for the hoo-mins and the scary adventures in the up-top. The story took our breath away and nearly had us crying with laughter!"
