W/C 11.05.26 - Y6 SATs Week

12.05.26 (and every Tuesday until 16.06.26) - 4CM Swimming

22.05.26 3:15pm - Finish for half term

Hello Parents and Carers!

Today we have had the best possible finish to a term - our annual Easter Bonnet and Diorama Parade! The creations never fail to wow both the children and staff - thank you for all the effort that goes into these. A big well done to the winners! We also drew the winners of the Easter Raffle during the assembly this morning - well done to Indie (Nursery), Billy (2MB) and Freya (6MC)!

On Tuesday and Thursday this week, our Nursery children performed their Family Assembly for parents - possibly the best version of The Three Little Pigs that there has ever been! Well done Nursery, you did an amazing job and we are super proud of you! Next half term, Reception and Year 3 will invite parents in for their Family Assembly!

We finish today for the Easter holidays, and return to school on Monday 13th April at 8:45am.

Have a lovely Easter break!
Miss Howard

Respect

Cooperate

THIS WEEK IN PSHE

This week in KS2 Assembly we were lucky enough to welcome Jack from Debate Academy. After the Easter break, Jack will be delivering an after-school Debate Club for children in Years 4-6, with the children who attend also getting the opportunity to take part in an actual debate at Mansion House in Calderstones Park. There are only 15 places available for this club, and it is always a popular one! The children really enjoyed playing some of the games they will get to play in Debate Club and learning which topics they often discuss!

Year One Phonics

This week in Phonics, Year 1 have been revising the following sounds:

'au': pause, launch, haunt
'ey': donkey, hockey, money
'a_e': snake, game, lake
'e_e': athlete, compete, these

Can you read the following sentence?
The athletes had to pause to see the monkey eating cake by the lake.

See if you can spot any words containing these sounds in your reading books!

ATTENDANCE is one of our school values

As a school we strive to achieve at least 97% attendance. It is a real shame that attendance has been so low today when we have had lots of nice things going on in school.

OVERALL - 93.1%
Monday - 95.3%
Tuesday - 95.7%
Wednesday - 94.5%
Thursday - 93.7%
Friday - 90.3%

Attend

Well done to RGG, RSR, 4CM and 4SM who had over 97% attendance this week. RGG and 4CM had the highest attendance, so will receive Champions' Breakfast after Easter!

Maths

At Wellesbourne, we want every child to develop a secure understanding and love of Mathematics which will equip them with the skills of calculation, reasoning and problem-solving that they will need throughout their lives. We want to develop a child’s ability to be resilient and financially responsible so that they can flourish in our community and beyond.

We use the White Rose Schemes of Learning (SoLs) from Nursery to Year 6. Our Yearly Overviews are adapted from the White Rose SoLs to ensure appropriate sequencing of topics and so that sufficient time is given to teach each topic in depth. We ensure that the children have opportunities to practise the key skills whilst building the understanding and knowledge to transfer these skills to more complex contexts. We incorporate challenge for all through varied and high-quality activities with a focus on fluency, reasoning and problem-solving. Children are encouraged to explain their choice of methods and use mathematical vocabulary to reason and explain workings.

This week, on World Maths Day, we had the Happy Puzzle Company in school to do workshops with each year group. The children absolutely loved it and it was brilliant to see such great teamwork and communication going on! We also had lots of teacher-led fun Maths learning going on!

Reception loved doing lots of Maths-themed activities!

Y1, 2, 3 and 5 loved their Happy Puzzle workshops!

Y6 loved their fraction hunt! Maths in the sunshine is so much fun!

TTRS AND NUMBOTS WINNERS THIS WEEK

TTRS

- Most correct answers:** Luke S Y4 - 24,018
- Most coins:** Luke S Y4 - 200,253
- Improved speed:** Thomas C Y5 - Improved by 5.34 seconds
- Fastest current studio speed:** Luke S Y4 - 0.38 seconds

Numbots

- Most minutes played:** Aurora D Y1 - 70 minutes
- Correct answers:** Yousif A Y4 - 1,081
- Most coins:** Yousif A Y4 - 10,243

SWIMMING GALA

We are so proud of some of our Y5 and 6 children who took part in a Swimming Gala this week! On Monday, they competed against other North Liverpool schools and came **FIRST!!** What an achievement!

This meant they returned on Wednesday to take part in the City Finals. Although we did not place in Wednesday’s event, the children did absolutely amazing and should be so proud of themselves! What brilliant representatives for our school!
