12.05.26 (and every Tuesday until 16.06.26) - 4CM Swimming

22.05.26 3:15pm - Finish for half term

Hello Parents and Carers!

We have had another lovely week in school - it has been great to finally have a bit of sun! On Thursday this week, our Year 5 children went on a trip to the Liverpool Docks. This was related to the History topic they completed before the Easter Holidays. They had a great time visiting the Museum of Liverpool and the Old Dock, learning all about what Liverpool was like in the 1700s and completing a scavenger hunt at the museum about Liverpool's docks through history! They also got Class of the Week in Praise Assembly thanks to their behaviour on the trip being so good! Well done Year 5!

On Wednesday morning next week, Miss Maher and Miss Greathead will be hosting a Coffee Morning for Reception-Y6 parents about supporting your child with Home Learning. Please feel free to come along! This will take place in our Well Centre at the back of school at 9am on Wednesday.

Have a lovely weekend!
Miss Howard

THIS WEEK IN PSHE

This week in PSHE assembly, our key focus question was 'Is it ever too late to try something new?' We talked about an 82-year-old lady called Eileen who only started running in her 70s and has completed 10 marathons since! The children were really inspired by Eileen's story and the resilience she has shown to get to where she is. In PSHE lessons we have continued with our 'Health and Wellbeing' theme, talking about the importance of good physical and mental health.

Year One Phonics

This week in Phonics, Year 1 have been looking at the following Phase Five sounds:

'y': city, grumpy, funny, happy
'al': walk, tall, chalk, talk

We have also been revising all of our Phase 3 and Phase 5 sounds in preparation for the upcoming Phonics Screening Check.

Can you read the following sentence?
The sleepy baby had a lovely dream about a ball.

See if you can spot any words containing these sounds in your reading books!

ATTENDANCE is one of our school values

As a school we strive to achieve at least 97% attendance. There is a clear pattern of attendance being much worse on a Friday than any other day. It is important children attend school every day.

- OVERALL - 93.1%
- Monday - 95.1%
- Tuesday - 95.2%
- Wednesday - 94.3%
- Thursday - 94.8%
- Friday - 90.4%

Well done to 1PP who were the only class with over 97% attendance this week. You will receive Champions' Breakfast on Monday!

Geography

Wellesbourne's Geography curriculum intends to develop pupils' curiosity and fascination about the world and its people. Children explore a variety of places – both in Britain and overseas – to assist in developing their knowledge, vocabulary and understanding of our Earth's physical and human processes. We are committed to providing children with plenty of initial opportunities to investigate and make enquiries about their local area of Norris Green and Liverpool – so that they can develop of real sense of who they are, their heritage and what makes their local area unique and special.

Last week, we also celebrated Earth Day in school. Children could wear green or blue to raise awareness of this and all year groups took part in a variety of exciting activities!

TTRS AND NUMBOTS WINNERS THIS WEEK

- TTRS**
Most correct answers: Luke S Y4 - 6,637
Most coins: Luke S Y4 - 45,171
Improved speed: Bonnie G Y4 - Improved by 1.03 seconds
Fastest current studio speed: Luke S Y4 - 0.38 seconds
- Numbots**
Most minutes played: Victoria C Y2 - 57 minutes
Correct answers: Isabella-Rose M Y2 - 564
Most coins: Isabella-Rose M Y2 - 4,753

CURRENTLY READING...

In school, every class dedicates 15 minutes a day to reading for pleasure from a carefully-crafted reading spine. This allows children to explore new worlds, builds imagination and develop a lifelong long for books!

This week's recommendation comes from Nursery!

Nursery recommend 'Titch' by Pat Hutchins.

Nursery say, "We loved this book! We have been planting our own seeds this week and hope they will grow as big as the one in this story!"
