- 01.07.26 - Transition to new classes
- 02.07.26 9am - Moving On Up Workshop (Y6 Parents)
- 07.07.26 - Culture Day
- 07.07.26 10:00am - New to Reception Meeting
- 07.07.26 2:00pm - New to Nursery Meeting
- 08.07.26 9:00am - New to Y1 Meeting
- 09.07.26 - Y2 to Martin Mere
- 10.07.26 - 6MC Art Trip
- 13.07.26 - 6KJ Art Trip
- 14.07.26 - Y6 Cinema Trip
- 14.07.26 - Transition to new classes
- 15.07.26 9:15am - EYFS/KS1 Awards Assembly
- 15.07.26 1:45pm - Rocksteady Concert
- 16.07.26 9:15am - KS2 Awards Assembly
- 17.07.26 9:15am - Y6 Leavers Assembly
- 17.07.26 1:00pm - Y6 Disco
- 20.07.26 2pm - Finish for Summer Holidays

Hello Parents and Carers!

This week, Year 1 hosted their Family Assembly for parents and carers. They did an amazing job of telling everybody what they have done this year, as well as some fantastic singing and dancing! Well done Year 1!

We have also had children out on a few trips this week - Nursery visited Croxteth Farm, Y3 visited the World Museum, Mr Canning took a group of children to a cricket tournament and Mrs Ellis took our Y5 and 6 Pupil Councillors to Monksdown Primary School where they helped with arrangements for the upcoming kNOw Knife Crime relay. All of the children behaved brilliantly and represented Wellesbourne so well!

Next week we will be hosting Sports Days - information regarding EYFS and KS1 Sports Days has been shared with parents. Y1 parents, please be aware on Monday, you will need to leave the school site once you have dropped your child off and then return at 9:30am. Parents will not be able to wait on the playground at this time as we will be setting up - thank you for your co-operation. Information about where we will be holding KS2 Sports Day will be shared early next week, however parents cannot attend due to it being off site.

Have a lovely weekend!

Miss Howard

THIS WEEK IN ASSEMBLY

This week in KS2 PSHE Assembly, Sherrell from Bully Busters came into school to speak to the children. She talked to KS2 about what a bully is, and the differences between bullying and being unkind. The children were able to tell Sherrell how bullying is when something keeps happening over and over again. Sherrell also discussed various scenarios with the children and gave advice on what to do in these scenarios. She talked about telling a safe adult and using the 4Ws when discussing an incident - who it involved, what happened, where it happened and when it happened. Sherrell also delivered an Online Safety Workshop to parents this week - a huge thank you! In next Monday's KS2 Assembly, we will be talking about railway safety.

Year One Phonics

This week in Phonics, Year 1 have looking at alternative 'ai' sounds.

We have looked at:
 'a': apricot, apron
 'ey': they, survey
 'ea': steak, break
 'eigh': eight, sleigh

Can you read the following sentence?
 My great neighbour had eight grey acorns.

Look for some of these alternative sounds in your home readers!

ATTENDANCE is one of our school values

As a school we strive to achieve at least 97% attendance. We are very excited to have achieved this on two days this week!! Let's keep it up!

- OVERALL - 93.3%
- Monday - 94.9%
- Tuesday - 95.7%
- Wednesday - 94.1%
- Thursday - 97.4%
- Friday - 97.5%

Well done to 1PP, 1GA, 2EB and 5CL for having over 97% attendance this week! 1GA and 5CL will receive Champions' Breakfast next week for having the highest attendance!

Computing

At Wellesbourne, our Computing curriculum has been carefully planned with learning opportunities and assessment milestones for each year group built in to ensure progression. We teach Computing in a spiral approach so that children revisit key learning, knowledge and skills throughout their primary school life. All of our children in Years 1-6 have Computing lessons with Mrs Summers; in EYFS opportunities for ICT use are given throughout everyday practice.

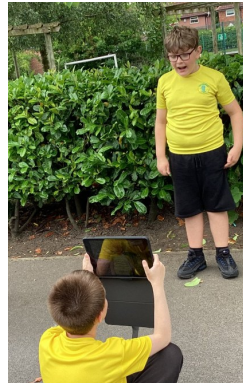

The aims of Computing at Wellesbourne are:

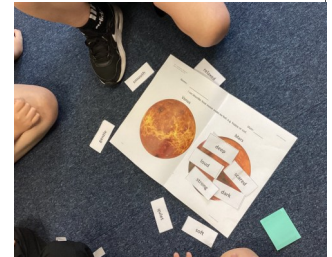

- To give children the skills they will need to live in the wider world
- To develop our pupils into confident and independent learners who understand how ICT can support them purposefully and safely in their learning and beyond
- To challenge children’s thinking and to become inspired by technology
- To find learning enjoyable and challenging
- To create confident and resilient learners.

Year 5 have been exploring a variety of filming techniques and developing their speaking and listening skills both behind and in front of the camera.

Year 2 have combined Computing with Music this week! They explored how music can evoke different emotions and then created their own digital rhythms to portray an animal’s movements, for example, an angry stomping elephant.

Upcoming Events to Support Parents

29/06/26 6pm - Starting School: Early Years (Zoom)

Beautiful New Beginnings will go through early years expectations, how to support your child in preparing for school and EYFS
<https://www.beautifulnewbeginnings.co.uk/event-details/starting-school-early-years-3>

TTRS AND NUMBOTS WINNERS THIS WEEK

TTRS

- Most correct answers:** Jackson R Y3 - 13,547
- Most coins:** Jackson R Y3 - 95,372
- Improved speed:** Piper GR Y4 - Improved by a huge 10.38 seconds!
- Fastest current studio speed:** Luke S Y4 - 0.39 seconds

Numbots

- Most minutes played:** Haithm A Y4 - 102 minutes
- Correct answers:** Haithm A Y4 - 896
- Most coins:** Haithm A Y4 - 6,403

CURRENTLY READING...

In school, every class dedicates 15 minutes a day to reading for pleasure from a carefully-crafted reading spine. This allows children to explore new worlds, builds imagination and develop a lifelong love for books!

This week’s recommendation comes from Year 1!

Year 1 recommend ‘The Last Wolf’ by Mini Grey.

Year 1 say, “We enjoyed the twist on the traditional tale of Little Red Riding Hood. It has a good message about looking after the environment and planting trees. We think you will enjoy this story!”
