16.12.26 - Christmas Fair

17.12.26 - Christmas Parties (Own Clothes Day)

18.12.26 2pm - Finish for Christmas

Hello Parents and Carers!

Today has been very exciting - it is Crazy Hair Day! The children's creations looked brilliant!

Next week in school is Parents' Evening - if you have not yet signed up for an appointment, please speak to your child's class teacher to arrange this.

Thank you to everyone who has donated children's coats, hats, scarves, gloves etc to the Gem Centre in Croxteth. They are still accepting donations, and any more would be much appreciated!

Parents can sign up for Christmas Performances on Arbor School Shop. All families will be allocated two tickets each, so don't worry if you don't sign up. Tickets cannot be split across performances.

Have a lovely weekend!

Miss Howard

Attendance

As a school we are striving to achieve at least 97% attendance each week. Attendance this week has again been poor on Monday and Friday, which is very disappointing.

OVERALL - 94.3%

Monday - **93.8%**

Tuesday - **95.4%**

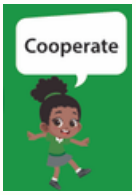

Wednesday - **93.8%**

Thursday - **94.5%**

Friday - **92.8%**

Well done to 1GG, 2MB, 3OK and 5CL who all had over 97% attendance this week. 2MB and 5CL were the highest so will receive Champions Breakfast next week!

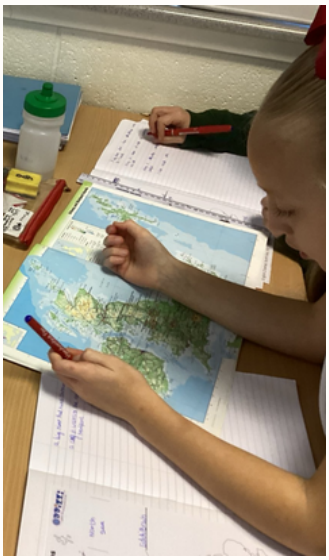

SPOTLIGHT ON...

Geography

At Wellesbourne, our Geography curriculum is designed to develop pupils' curiosity and fascination about the world and its people. In lessons, children explore a variety of places - both in Britan and overseas - to assist in developing theit knowledge, vocablary and understanding of our Earth's physical and human processes. We are committed to providing children with plenty of initial opportunities to investigate and make enquiries about their local area of Norris Green and Liverpool so that they can develop a real sense of who they are, their heritage and what makes their local area unique and special.

Year 3's Geography focus this half term is North America. They have been using atlases to explore the countries which make up this continent.

Year 6's Geography focus this half term is United Kingdom. They have been using atlases to investigate well-known features of the UK, including identifying all of the capital cities.

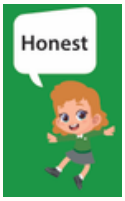

TTRS AND NUMBOTS WINNERS THIS WEEK

TTRS

Most coins: James C Y4 - 117,914
Most correct answers: James C Y4 - 13,258
Fastest current studio speed: Luke S Y5 - 0.4 seconds
Improved speed: Amelia-Le W Y4 - Improved by 3.22 seconds

Numbots

Most minutes played: Nathan A Y1 - 98 minutes
Correct answers: Nathan A Y1 - 1,188
Most coins: Nathan A Y1 - 8,908

CURRENTLY READING...

In school, every class dedicates 15 minut5es a day to reading for pleasure from a carefully-crafted reading spine. This allows children to explore new worlds, build imagination and develop a lifelong love for books!

This week's recommendation comes from 6HG.
6HG recommend 'The Final Year' by Matt Goodfellow.

'The Final Year' tells the tale of the life of a 10-year-old boy as he navigates his last year in primary school. The children were drawn to it because this is also their 'final year' at Wellesbourne.
6HG say, "We all agree this is a lovely book which tells a deep, meaningful story and has allowed us to develop empathy with other people's lives and difficult situations they face."
